## PA Craft Beers

### **\*Troeg's Hopback Amber Ale\***

\$4.95 6.5 ABV Hershey

Deep amber in color under a huge creamy head. Strong, bold aroma & spicy with a slight floral character. Balanced with caramel malt, this well-rounded amber ale has an up-front floral spice that builds with a flush of sweetness.

### **\*Troegenator Double Bock\***

\$5.95 8.2 ABV Hershey

For periods of fasting without solid foods, Monastic brewers relied on the double bock; a stronger, richer beer to fill basic nutritional needs.

Known as "liquid bread", a double bock has a strong malt aroma & chewy rich body. In the spirited tradition of naming a double bock in the suffix "ator," we give you Troegenator to provide warmth & richness through the early spring months.

### **\*Victory Hopdevil \***

\$4.95 6.7 ABV Downingtown

Menacingly delicious, with the powerful, aromatic punch of whole flower American hops backed up by rich, German malts. HopDevil Ale offers a roller coaster ride of flavor, coasting to a smooth finish that satisfies fully.

### **\*Southampton Biere de Mars\***

\$5.75 6.5 ABV Long Island NY

Brewmaster Phil Markowski's classic interpretation of an authentic French farmhouse-style Biere de Mars. Our version is brewed with a blend of wheat & barley malts & a generous amount of continental hops. It is cool fermented & aged to give it a clean, smooth, lager-like character. Brewed entirely with French malt & cool-fermented with a special ale yeast for a unique & smooth flavor. Southampton Biere de Mars has a subtle fruity/spicy aroma with flavor notes of pear, coriander & honey.

### **\*Founders Red Rye\***

\$5.75 6.6 ABV Grand Rapids MI

Serious hop bitterness, along with an unyielding grapefruit bouquet from the Amarillo dry-hop, balances the malty richness of four varieties of imported Belgian caramel malts. Pours a spectacular crimson with a creamy tan head. A generous addition of rye malt accentuates a spicy, crisp finish

### **\*Thomas Hooker Nor'Easter\***

\$5.25 5.7 ABV Bloomfield Conn

Brewed to celebrate Winter in New England, Nor'Easter Lager possesses a Hearty Malt flavor delicately accented by mild winter spices.

### **\*Long Trail Ale\***

\$5.25 4.6 ABV VT

Full bodied amber ale.

### **\*Sam Adams Alpine Spring\***

\$5.00 5.5 ABV Boston Ma

Brewed especially for the season this bright citrusy unfiltered lager is both satisfying & refreshing. It's the perfect transition from winter's heavier brews to the lighter beers of summer. Borne of our brewers' many trips to Germany, Alpine Spring features a unique blend of lager attributes: the balanced maltiness & hoppiness of a Helles, the smoothness & slightly higher alcohol of a traditional spring bock & the unfiltered appearance of a Kellerbier. The beer is brewed with Noble Tettnang hops to add a unique, bright orange-citrusy aroma & flavor.

### **\*Atwater VJ Imperial Stout\***

\$7.50 11.0 ABV Detroit

A huge Imperial Stout based on our best seller. Thick, Black as Tar and Brewed with 6 different malts and Barley flakes and Magnum Hops. The rest is a secret.

### **\*Summit Maibock\***

\$5.50 6.5 ABV St Paul MN

This traditional German style earned the nickname "liquid bread" because it was brewed by monks to help them get through Lenten fasting. Moravian 37 malts and Czech Saaz hops give it a toasted sweetness with a little spice in the finish.

### **\*Kona Fire Lager\***

\$4.95 5.8 ABV Hawaii

Copper colored ale with smooth Hawaiian style. Liquid lava with a bold flavor. Go with the flow.

### **Chimay Triple**

\$7.00 8.0 ABV Belgium

Chimay's flavor comes from the smell of hops: above all it is the fruity notes of muscat & raisins that give this beer an attractive aroma. The aroma complements the touch of bitterness. Has an after-bitterness which melts in the mouth.

### **\*Magic Hat #9\***

\$4.95 5.1 ABV Vermont

A sort of dry, crisp, refreshing, not-quite pale ale. #9 is really impossible to describe because there's never been anything else quite like it.
